James Lawrence *The Iron Cowboy*

<https://www.youtube.com/watch?v=pSRM0n-xlSc>

James Lawrence, more commonly known as the *The Iron Cowboy* is a world-renowned speaker, endurance athlete, 2x author, and 2x documentary subject.

He received his nickname from the public after he started to wear a cowboy hat during races to be recognized by his children.

With two Guinness World Records under his belt, James and his family attempted to do something every person deemed impossible, the 50/50/50.

However, that wasn't enough to satisfy him. On June 8, 2021, James achieved a remarkable milestone known as the **Conquer 100—a series of 100 consecutive full-distance triathlons**, as coined by the team.

Sports Illustrated ranked James in the top 50 fittest freaks with Lebron James and Connor McGregor, two of James' favorite athletes.

"THE SECRET TO SUCCESS IS DOING A LOT OF LITTLE THINGS CONSISTENTLY OVER A LONG PERIOD OF TIME."

If you want something you've never had, you must be willing to do something you've never done.

You can't have a breakthrough without a struggle.

You don't have to be great to start, but you have to start to be great.
